THE OFFICIAL MAGAZINE OF LUTTERWORTH SUB-AQUA CLUB

Lutterworth
Sub-Aqua Club

Issue 157

Hi Buddies, its great to see Free Flow back in circulation after almost 2 years out of the game! The magazine has always been appreciated by club members in previous years so it would be nice to re-establish a connection but with a fresh touch.

Thank you to everyone who was able to make the AGM in September, we managed to get a quorum and discuss the club for 2015 / 2016. It has seen some committee members give up their throne and welcome new committee members. A special thank you to those members of the committee who have dedicated lots of time to the club and we wish you well with your diving and look forward to hearing some suggestions as members.

So as you are all aware the new committee are as follows.

Chair – Rosie Page
Diving Officer – Martyn O'Driscoll
Training Officer – Mike Flatt
Equipment Officer – Ian Jennings
Treasurer – Gill Wood
Secretary – Richard Walker
Boat Officer – Paul Morgan
Welfare Officer – Pete Jones
Ordinary Committee – Suzanne Coates
Vice Chair – Jon Nichols

Welcome on board committee 2015/16!

If you need to contact the committee you can do so by emailing committee@lsac.co.uk

Now a couple of amendments within the club as you are all aware, the club fees have been raised by a small amount for the forthcoming season, we are hoping with the small raise in fees members will be able to enjoy a more active club and save towards a new boat which will need replacing in the years to come.

A considerable amount of effort is going into the club this year and already we can see some trips have had a fantastic response from our members.

We are working on a banner design so we can have this on display at the pool next to our newly renovated notice board and some flyers which can be left at the pools reception for people to take one as they leave to help promote the club and what we are about.

If you have any photos feel free to send them through to us info@lsac.co.uk we are always on the lookout for good photos

It would appear that everyone seems to have had a good time in the Red Sea this year, a special thanks to Mike for organizing the trip and getting everyone there and back on time and safe.

2015 has seen a number of other club trips to the likes of the Farne Islands, Plymouth, Cornwall and more. Lets hope that this continues in 2016 and we get some more use out of the club boat.

Moving into 2016 we have a new Ocean Diver course starting in January, if you have any friends or family who would like to join us get in touch info@lsac.co.uk
